NEW!

Paislee's future is unknown, an empty canvas. I want to paint it with love and hope and not bitterness and fear. I love this little girl so much, and wherever I go I will proudly say "She's with me."

Spring in the Valley celebrates community with attractions for every age: a Car & Bike Show for enthusiasts, local Northwest Georgia vendors and food trucks, face painting, a petting zoo, bounce houses for kids, and live music throughout the day. Our signature SGF Kids' Game Booth, run by local therapists, creates an inclusive play space where children of all abilities connect and have fun together.

A family festival where everyone belongs, making memories that matter.
